

Happy August, Garden Family! The days are long and sunny, and it's a great time to get back to your nature roots with our hands-on programs and crafts. Since summer is in full swing, it's a good idea to bring a water bottle and bug spray when you visit. In case of stormy weather, you can check our Facebook page or voicemail for any schedule changes. All events this month are included with the cost of general admission and free for members.

*The Garden will undergo its annual summer maintenance from 9/2-9/16.
Please take note that the Garden will be closed to the public during this period.*
